Education

Build Bright University

Siem Reap, Cambodia

Feb 2023 – Present

I study at Build Bright University, Siem Reap Campus, pursuing a Bachelor's Degree in Information Technology. I am currently in Year 3, Semester 2, focusing on Oracle Project, ASP.Net and SQL Server, Network Design, and Object-Oriented Programming (OOP) using Java.

PEPY Empowering Youth

Siem Reap, Cambodia

Feb 2022 – Dec 2022

Attended full year training at PEPY Learning Center, Siem Reap province. During attending at the PEPY, I have learning a lot about three main subjects such as Computer Skills, English and Soft Skills. I also learnt a lot form doing project payback to my community. Moreover, I have learned about Do no harm.

Training Experience

ESTC

March 2023 - 2024

I started training on March 13, 2023, to build a project website using HTML, CSS, Bootstrap and JavaScript . After that, I learned about CMS Made Simple and built a real website project with ESTC. After six months of training, I became a full-time staff member. Then, I moved on to learning WordPress and worked on real projects using WordPress.

Junior web developer

Nov 2024 - Dec 2024

I attended the junior web developer contest season1 at Build Bright University Campus from 25 November 2024 to 2 December 2024.

Siem Reap Coding Club

April 2022 - 2023

I attending with Siem Reap Coding Club located at YISI office, Siem Reap Province. I have Learn about coding (HTML, CSS and JavaScript) and basic computer.

Human Rights Training

Siem Reap, Cambodia

June 2022

I joint the training about human rights, socio-economic rights, good governance, and good public services at PEPY Learning Center.

Malk talk

Siem Reap, Cambodia

July 2022
